RECITALS

A. The Seller has filed a voluntary bankruptcy petition pursuant to chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) before the United States Bankruptcy Court for the Southern District of New York at Poughkeepsie (the “**Bankruptcy Court**”) and is in the possession of its assets and in the management of its business pursuant to sections 1107 and 1108 of the Bankruptcy Code.

B. The Seller is engaged in the business of operating a motor vehicle racing school catering to individuals, corporate groups and aspiring competitors (the “**Business**”).

C. The Purchaser desires to purchase from the Seller, and the Seller desire to sell to the Purchaser, substantially all of the Seller’s assets upon the terms and subject to the conditions set forth herein and in accordance with Section 363 of the Bankruptcy Code.

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained in this Agreement and other good and valuable consideration, sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, agree as follows:

SECTION 1 PURCHASE OF ASSETS

1.1 Acquired Assets. Subject to the terms and conditions hereof, at the Closing, the Seller shall sell, assign, transfer, convey, and deliver to the Purchaser, and the Purchaser shall purchase and accept, all of the Seller’s right, title and interest in and to substantially all of the Seller’s tangible and intangible personal property assets, including, without limitation, the assets described on Schedule A attached hereto (collectively, the “**Acquired Assets**”). The Acquired Assets will not include those items described on Schedule B hereto (the “**Excluded Assets**”). Certain of the Acquired Assets shall be assumed by Seller and assigned to Purchaser, pursuant to Bankruptcy Code §365, and the balance of the Acquired Assets shall be conveyed by a Bill of Sale and/or Assignment in a form reasonably acceptable to Purchaser and Seller.

1.2 Sale Free and Clear of Liens. The Acquired Assets shall be transferred by the Seller, free and clear of all liens, claims and encumbrances (the “**Liens**”), pursuant to Bankruptcy Code §363(f) and § 363(m).

1.3 Assumption of Liabilities. Notwithstanding anything to the contrary in this Agreement, the Purchaser is not assuming any liabilities of the Seller or its estate, nor shall Purchaser be deemed to be a successor to the Seller or its bankruptcy estate for any purpose whatsoever. In furtherance of the foregoing, the Purchaser is not hiring any of Seller’s employees.

1.4 Third Party Consents; Assignment and Assumption of Contracts. At the request of the Purchaser, the Seller shall obtain, prior to the Closing Date, solely those consents of third parties specifically identified by Purchaser which are required to transfer or assign any interest of the Seller in the Seller contracts specifically identified on Schedule A without liability to the Purchaser except for obligations first arising under such contracts following Closing. At Closing of the transactions contemplated hereby, Seller shall be required to assume and assign to Purchaser only those contracts specifically identified on Schedule A hereto. To the extent that the Seller is required to pay any cure amounts with respect to the assumption and assignment of the executory contracts and unexpired leases identified on Schedule A hereto, Purchaser shall pay such amounts directly to the relevant counterparty, with the exception of any unexpired leases of non-residential real property.

SECTION 2 PURCHASE PRICE

2.1 Purchase Price. The purchase price for the Acquired Assets shall be Eight Hundred Thirty Thousand Dollars (\$830,000) less the Purchase Price Adjustment, if any (the “**Purchase Price**”). On the Closing Date, the Purchaser shall pay to Seller by wire transfer of immediately available funds to an account(s) designated by Seller an amount equal to the Purchase Price minus the Deposit (defined below). Upon receipt of the balance of the Purchase Price, the Seller shall deliver the items set forth herein in Section 3.2 to the Purchaser. As used herein, “**Purchase Price Adjustment**” shall mean the amount mutually agreed between Seller, with the advice and consent of Seller’s secured creditor, People’s United Bank, N.A. and Purchaser to the extent the Acquired Assets (i) are not materially in the same condition on the Closing Date as inspected by Purchaser on July 26, 2017, reasonable wear and tear excepted, and (ii) are materially damaged.

2.2 Deposit. Prior to the auction sale of the Acquired Assets, the Purchaser paid to Seller the sum of One Hundred Thousand Dollars (\$100,000) (the “**Deposit**”), which amount shall be credited against the Purchase Price as described in Section 2.1 hereof. If (i) all conditions precedent set forth in Section 9 have been timely satisfied, and (ii) Seller is not in breach of this Agreement, and (ii) Purchaser thereafter is in material breach of this Agreement, upon five (5) business days’ notice to the Purchaser, the Deposit shall be forfeited to the Debtor’s estate and the Seller may close with the back-up bidder. At the Closing, the Deposit shall be applied to the Purchase Price. In the event that the sale does not close as the result of a breach by the Purchaser, then the Seller shall have the right to retain the Deposit until required to return it by an order of the Bankruptcy Court and shall reserve the right to seek all available damages from the Purchaser. The Deposit shall be held in an attorney escrow account of the Seller’s attorney until its application pursuant to this Section 2.2.

SECTION 3 CLOSING

3.1 Closing. Provided the provisions of Section 9 herein have been satisfied, the closing (the “**Closing**”) shall take place no later than the fifth (5th) business day following the entry date of the Sale Order, provided that consummation of the sale has not been stayed by
